MUSIC**  
REGIONAL CONSERVATORIUM

**PHILANTHROPIC  
PROGRAMS**

2020

## **SOUTH WEST MUSIC REGIONAL CONSERVATORIUM**

South West Music Regional Conservatorium has been teaching and inspiring generations of musical students in Deniliquin since the early 1980s.

We provide quality music education to over 600 students over an area of around 40,000 square kilometres in regional and remote South West NSW.

Music is an important part of every culture and provides valuable community and artistic connection throughout our rural communities. Students are offered individual lessons and are given the opportunities to participate in ensembles or bands and attend live music events.

Our mission is to promote, foster and develop music throughout the region encompassing the playing, learning, appreciation and availability of music.

### **PHILANTHROPIC PROGRAMS**

South West Music has several philanthropic funds that contribute towards specific areas of the Conservatorium's work.

Your support enables us to provide the highest standard of musical education and experiences to our communities.

**If you are interested in supporting our philanthropic programs, please contact our team on +61 3 5881 4736 or email [admin@swmusic.org.au](mailto:admin@swmusic.org.au)**

## **BURSARY PROGRAM**

Support of our Bursary Program provides access to musical education for students who are experiencing hardship.

Each bursary covers the cost of music tuition for a student in a regional and remote area for an entire year.

We want to ensure all young people who want to can receive the immense benefits to their health, wellbeing and academic performance offered by a musical education. This direct financial support seeks to overcome the disadvantages our young people can experience, especially in smaller communities that are challenged by the impacts of isolation and drought.

We are seeking to fund 5 students through the Bursary Program in 2020.

**Program Cost: \$2000 per student**

**TOTAL 2020 PROGRAM COST: \$10,000**

## **SCHOLARSHIP PROGRAM**

The Scholarship Program is designed to reward excellence and commitment in musical endeavour. Scholarships are applied for and awarded on merit across 10 instrument categories for both junior and senior students.

Scholarships are named after the patron and patrons are invited to attend the annual Student Award Night.

**Program Cost: \$1000 per student**

**ESTIMATED 2020 PROGRAM COST: \$20,000**

## **YOUNG MUSICIAN PROGRAM**

The Young Musician Program expands our students' existing musical education through workshop opportunities delivered by highly specialised guest teachers. Skills such as song writing and stagecraft expand a young musician's musical education, increasing their opportunities for employment in the music industry.

The program enables the Conservatorium to bring suitably qualified musical educators into our region, where access to these specialised skills is not readily available.

In 2020 we are seeking to fund a song writing and producing workshop, benefiting up to 18 senior music students.

**Program Cost: \$5000 per workshop**

**TOTAL 2020 PROGRAM COST: \$5,000**

## EARLY CHILDHOOD PROGRAM

The Early Childhood Program provides a weekly musical education program for groups of children under school age, delivered by qualified early childhood educators.

This program is delivered in partnership with local Early Childhood Education organisations.

We are seeking to initiate the Early Childhood Program for a full year in 2020.

**Program Cost: \$2000 per term**

**TOTAL 2020 PROGRAM COST: \$8,000**

## INSTRUMENT FUND

The Instrument Fund enables the Conservatorium to adequately maintain its existing instrument base and purchase new and specialised instruments.

The Conservatorium has identified the need for a quality keyboard for use by our students at recital performances and by visiting musicians and is seeking to purchase a Kawai Stage Piano with heavy duty stand in 2020.

**TOTAL 2020 PROGRAM COST: \$3,000**

## LIVE MUSIC PROGRAM

Our Live Music Program brings professional performers to the region each year for live music events across a range of genres.

The program has loyal community and volunteer support, united behind the vision of providing our students with access to world class musical performances.

Support of the Live Music Program allows us to increase the range of music performed to regional audiences, ensure live music pricing remains accessible and expand our concerts into smaller communities around Deniliquin.

**Live Music Platinum Sponsorship: \$20,000**

**TOTAL 2020 PROGRAM COST: \$64,250**

WE ★ BELIEVE ★ THAT  
music MAKES THE  
WORLD  
a better place! ★
